Dear Client and Family,

Welcome to The T.E.A.M. Approach and thank-you for choosing us for your therapeutic needs. We are pleased to offer you the highest quality of outpatient services. We strive to provide a comprehensive evaluation of your child's needs so as to achieve your goals as a family. In order to make an accurate assessment and treatment plan, we require detailed background information. Although we realize that this may be overwhelming, we ask that you fill out all of the attached information to the best of your ability. This has the added benefit of avoiding the repetition of your family member's medical history to every professional you encounter.

If at any time you have questions or concerns regarding the information you are asked to provide to our office, please notify the front desk and a representative would be happy to review the forms with you and explain the purpose and intent of use. We wish for your experience here at The T.E.A.M. Approach to be positive in every way. Our staff, and policies that support them, are called upon to create an encouraging, family-centered environment. We believe we have taken into consideration the needs of the families that participate in our programs; however, we welcome suggestions and feedback. If, at any time, your or your family's needs are not being met, please do not hesitate to contact either one of us at 713/896-1815.

Sincerely,
